9) Toll is one of the major sources of municipal Revenues and the ~~Revenue~~ Officer Supervision over the collection is perhaps a Responsible duty devolving upon the Revenue Officer Toll Collections at Davangere are not so far Compensated except to private Contractors for the Convenience of the municipal Council Since this year there was no proper bid, the municipality

to an officer having to move about within the limited area of the Davangere City Mty

It is not also correct to go on on granting allce for every slight increase in work. Even when Toll gates were farmed out the Rev Officer was expected to check them frequently and it is doubtful if his work has increased substantially by the system of departmental collng of Tolls

say that the MCC after considering

I also examined the position & nature of regard to the area of the c/s - with 11 Toll gates which the officer has to supervise constantly I felt that some additional allowance is reasonable Any allowance paid to the officers of the local bodies or industrial concerns is not generally compared to the allowance paid to the executive officers in the Revenue Dept We must ordinarily have the discretion to the good sense of the DC & Therefore I consider it reasonable to give him atleast an allowance of Rs 30/- P M the proposals may accordingly be modified
